

TEATR

A LATINX THEATRE COMPANY

About TEATRX

TEATRX is a Latinx theatre company established in 2018 to advance Latinx performance arts in order to be a vital and prominent part of the artistic identity of Houston by representing and supporting the Latinx community, its artists, and its stories.

Our programming gives the community ownership of the art that is being created for and about them; sparking excitement in the community, creating future theatre goers, and perhaps inspiring future artists.

La Vida Es Cortos / Life Is Shorts

La Vida Es Cortos / Life Is Shorts is the first festival of its kind. It pairs short plays and short films, two mediums rarely shown to the public, side by side.

In its fifth year, the festival will evolve by added 2 dedicated performances of short plays and films for young audiences!

The fourth annual La Vida Es Cortos / Life Is Shorts Festival will take place at MATCH, a premier performance venue in Houston's Midtown neighborhood September 29 - October 1.

Our Audience

By The Numbers

Our unique festival attracts a distinctive audience for a one-of-a-kind experience. We draw an audience longing for a place in Houston's theatre and film scene by curating a lineup that includes multiethnic, multicultural, and multigenerational stories in English and in Spanish that better reflects the majority-minority population of Houston.
